Portfolio: https://afsarali-portfolio.vercel.app/

PROFILE SUMMARY

Passionate Frontend Developer transitioning from CMS platforms to modern frontend technologies. Skilled in building **responsive, interactive, and accessible web apps** using **JavaScript ES6+, React.js (Hooks), Tailwind CSS**, and modern design principles. Focused on **performance optimization, cross-browser compatibility**, and **pixel-perfect UI/UX**, with a strong foundation in web fundamentals and **unit testing**.

TECHNICAL SKILLS

Languages: JavaScript ES6+
Frontend: HTML5, CSS3, Tailwind CSS, React.js (React hooks), Redux
CMS Experience: WIX, WordPress, Shopify
Design & Tools: Figma, Git, GitHub, Jest (unit testing)
Deployment: Vercel (CI/CD pipelines), performance optimization

PROJECTS

Resume Builder

Built an AI-powered resume builder using **React.js (Hooks)** and **Tailwind CSS**, implementing **responsive design, state management**, and PDF generation. Improved rendering performance by **40%** with code splitting and lazy loading. Demonstrates **advanced React patterns** and production-ready architecture.
GitHub: github.com/AfsarWebDev/Resume-Builder **Live Demo:** Resume Builder Demo

Bluebrisk E-commerce

Developed a portfolio-ready e-commerce frontend with **React.js, Redux**, and **Tailwind CSS**, featuring product listings, reusable components, and shopping cart with **localStorage**. Achieved **95% Lighthouse performance score** and cross-browser compatibility.

PROFESSIONAL EXPERIENCE

WIX Specialist - Website Developer
Ahmedabad, Gujarat
January 2023 - Present

Built and customized **150+ responsive websites** using **WIX, WordPress, Shopify, HTML5, CSS3, and JavaScript (ES6+)**. Implemented **responsive design and cross-browser compatibility**, reducing mobile bounce rate by **35%**. Added **custom JavaScript features** including forms, animations, and API integrations, increasing engagement by **28%**. Migrated legacy sites to **React.js and Tailwind CSS**, improving page load times by **30%**. Deployed projects via **Vercel CI/CD** and optimized performance, reducing bundle size by **25%**, while collaborating with teams using **Git/GitHub** for version control and code reviews.

EDUCATION

Bachelor of Engineering (BE), Mechanical
Visvesvaraya Technological University (VTU), Belagavi
June 2014 - May 2019

LANGUAGES

English, Hindi, Kannada
